

Impossible...

## Commercial KITCHEN FLOOR

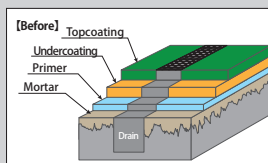

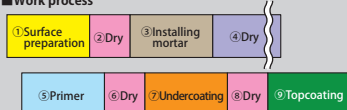

### Before

#### General problems

- Application period: 3 days minimum
- Multiple applications.
- Expensive

#### Work process

And very expensive....  
At least 3 days

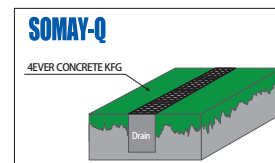

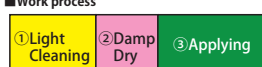

And it peels off right away.

### 2017 New, SOMAY-Q System

#### Incredible!! Unthinkable!!

- 2 hours work + 4 hours to dry. Overnight!
- No VOC, No odor
- Lowest cost

#### Work process

Just one coat!  
Even crushed rock in the floor, uneven surface...  
No problem. Also, Anti-Slip

Never peels off.  
Perfect adhesion!!

## You may not believe!
